Presbyterian Church

July 27 through August 2, 2025

Hello Everyone! My name is Skye, and I am your new Worship Accompanist! I am so excited to be joining this wonderful team and getting to know you all. From the couple of weeks I have been here, I can tell you all have a deep passion for your faith in God and your service to Christ. I can't wait to share my passion for music with all of you. I have been involved in the music world since I was just five years old. I started my journey with singing and then a year later I started the piano. I am now a student at Duquesne University studying music education. I have been working with kids and in churches since 10th grade and am now excited to continue my journey with all of you. My family has always loved music and my inspiration especially comes from my grandma, who was also a worship accompanist when she was younger. In my free time, I love to travel, read, play with my dog, and spend time with friends and family. When you see me on Sundays, feel free to say hello and have a conversation! Thank you for the warm welcome to your family.

With Peace,

Skye
