IN OUR Thoughts AND Prayers

- Jen Davis—Sister Chris had a lumpectomy on Tuesday. It went well. Although the tumor was $\frac{1}{3}$ inch in size, the surgeon took a 3 inch by 3 inch piece of tissue as fingers were found to have worked their way through due to this aggressive cancer. They also removed 2 lymph nodes. Now we wait for pathology to determine chemo radiation and a pill or just radiation and a pill. Chris sends her love and gratitude to our church and said although she was scared, she didn't feel alone.
- Eleanor Pike—Bob Nan is in the hospital with a severe bladder infection
- Kenny Jones—Sunday was Grandparents' Day!
- Diane Gennaro—Katie her nephew Anthony's wife had a baby on Sunday.
- Dawn Psik—Her sister Susan had her second round of chemo on the 15th; waiting on insurance OK for needed shot
