Presbyterian Church

May 10 through May 16, 2026

Dear Church Family,

I hope you're all doing well!

We'd like to share a brief update about an exciting change coming over the next couple of months. We will be transitioning to a new church management system called ChurchTrac. This platform will eventually replace QuickBooks, Flocknotes, and our current system for tracking membership and giving.

ChurchTrac will help us stay better connected, communicate more effectively, and keep things running smoothly behind the scenes. It will also allow us to better organize church activities and maintain accurate records for our congregation.

As part of this transition, we will be collecting and updating contact and household information for all members. Over the next two months, you may be asked to provide or confirm details such as your contact information. Christina Palmer and Corrina Petrella are currently working to transfer existing membership data into the new system, and they will be sharing a short survey with you in the coming weeks.

If you are part of a group and would find it helpful to connect with others in that group through this system, please let us know so we can include you.

We truly appreciate your cooperation during this process. Keeping our information up to date will help us care for one another and stay connected as a church family. Please be assured that your information will be kept secure and used only for church purposes.

We will share more details soon about how to submit your information and who to contact with any questions.

Thank you for being such an important part of our congregation!

With appreciation,
Christine Hurni

Mission

The total raised from the 2026 Lenten Mission Project came to \$3950, which went towards 2 wells and 19 well shares at \$50 apiece. Last month the Mission Committee also received a \$2000 check from Lee Dryers who managed the Water for the Woodlands fund in Butler County. The funds were not enough so he gave our church the remainder to use for missions. The Missions Committee decided to split the funds 4 ways among local outreach with \$500 each going to the Cornerstone of Beaver County, Aliquippa Impact, Uncommon Grounds Cafe and the Deacons Backpack program.
